To sustain and improve our services with the highest degree of professionalism, quality and integrity, on par with industry standards.

## **WORKMANSHIP**

We are having an expert team who can handle a project (turnkey) which includes Fabrication, Manufacturing, Site erection, System piping, Preservation of steel, Designing, ODC lashing, Mechanical work, machinery installation, etc.

## **EXPERIENCE**

Mentioned above activity can be handled by an expertise that are having an experience of an above 20 yrs.

## **EXPERTISE**

Company have foreman cum Supervisor, Naval Architect, Paint engineers, Marker (NPCIL projects) who works on full time engagement.

## **TECHNOLOGY**

**EKVEERA** has the most efficient equipment for lifting vessel-power tech & jacks, Welding Inverters- 26 III phases & 03 I phases, Power drill for drilling upto 50-100mm bore,Lath-8” foot bed, H.P. jet washing M/C & Sludge removing pump.

## **SECURITY**

The Company highly trained security team monitors the shipyard premises **24hrs** a day aided by a comprehensive CCTV network to ensure our clients and operation are secure at all times.

## **OUR TEAM**

Our vital asset is our team. We are a team of highly skilled Marine Engineers & Naval Architects cum M.E (Mechanical Engineers) who work as dedicated & well-integrated unit to meet all our Client's requirements.

### **Our Team Includes:-**

1. Naval Architect & NDT Engineers.
2. Master Mariners.
3. Marine Engineers.
4. Heavy lift Supervisors.
5. Structural Analyst.
6. Electrical Engineers.
7. Draftsmen.
8. Lashing Engineers.
9. Welding Engineers.
10. Vessel Conversion Specialist.

**EKVEERA** offers its technical expertise and professional consultancy services to clients in the following areas:-

### **NEW BUILDING SERVICES**

- a) Concept/ Preliminary/Contract Design.
- b) Basic Design (Class Approval).
- c) Shipyard Selection.
- d) Cost Estimation.
- e) Shipbuilding specification review.
- f) Site team deployment & Construction supervision.
- g) Project Management.

### **SHIPYARD SERVICES**

- a) Repairs/Modification Design.
- b) Lifting Plans.
- c) Commissioning & Sea Trials.
- d) Equipment Procurement.
- e) Yard standards & Documentation.
- f) Surface Preparation as per SSPC Standards.
- g) Surface Coatings as per SSPC Standards.

### **VESSELS SERVICES**

- a) Conversion/Up-gradation/Retrofit.
- b) Vessel Re-flagging.
- c) Statutory Compliance.
- d) Feasibility/Gap Analysis.
- e) Shipboard Manuals.
- f) Drawings Digitization.

## **CHARTERING/ S & P SERVICES**

- a) Marine Vessel Chartering Pontoons, Crane Pontoons, Bunker Vessel, Dredgers Etc.

## **NAVAL ARCHITECTURAL SERVICES**

- a) Intact & damage stability.
- b) Inclining Experiments.
- c) Powering Calculations.
- d) Hull shape Optimization.
- e) Steel weight Calculation/Optimization.

## **DESIGN SERVICES**

- a) Structural Analysis.
- b) CFD Analysis.
- c) DP FMEA.
- d) 3D Modeling & Animations.
- e) FEM Analysis.
- f) Load out Analysis.
- g) Ballasting Calculations.
- h) Load out Beam Design.
- i) Statuary Drawings.
- j) Stability Analysis.
- k) Longitudinal Strength Check.
- l) Motion Analysis.

## **OFFSHORE SERVICES**

- a) Machineries installation.
- b) Structural Modification.
- c) Anchor Installation.
- d) Davit test.
- e) Life Raft / Boat Testing.
- f) Bollard pull test.
- g) Wire ceiling load test.
- h) Under water repairs.
- i) Under water Propeller Polishing.
- j) Under water Hull Cleaning.
- k) Under water class Surveys with Videography.
- l) Design Verification.
- m) Floating Repairs.
- n) Piping repairs/ renewals.

## **CONSULTING SERVICES**

- a) Inspection services.
- b) MWS surveys.
- c) Damage Assessment.
- d) Pre-Purchase Inspection.
- e) Condition Survey.
- f) ON/OFF Hire.

## **VESSEL EQUIPMENT & SPARES**

- a) Spares for main engines & Generators.
- b) Spares for main boilers & Aux. machinery.
- c) Accommodation & Pilot Ladders.
- d) Cranes.
- e) Gallery Equipment.
- f) Ship Automation & Control System.
- g) Navigation Equipment.
- h) Pyrotechs.

## **NDT (Non Destructive Test) SERVICES**

- a) Ultrasonic thickness gauging of D.B SUSAN.
- b) DPT on Propeller for Shantam vessel.
- c) DPT on Propeller for SAHIR vessel.
- d) Gas Free Certification for Triton Vision.

We have embarked on diversification into other activities such as surface preparation, Sand Blasting airless spray painting and other industrial painting. In addition we have also been participating in turnkey projects involving structural and steel fabrication, mechanical work, machinery installation, erection, piping, civil and other associated works.

Company has successfully carried out intricate and completed projects within the stipulated time to the classification standards of Indian Register of Shipping, Admiralty Indian Navy standards, Lloyds Register of shipping, Engineers India Ltd. Etc.

A few of the salient job completed are listed herewith for your perusal.

1. Repair & Refurbishment of Aircraft handling crane for **Indian Navy**.
2. Lying of Raiser main and gravity pipeline of Kundli Dam project at Kamshet Poona for **Kvaerner Cementation Ltd.**
3. Lying of 6500 Mtr Oil Pipe line at Jamanagar **Essar Oil Ltd.**
4. Fabrication of pipe 1200mm OD, 12mm thick cladding on 100 in Nos. pipes at site Dahej, Gujarat on behalf of **M/s. N. S. Guzder & Co. Ltd.** for Kvaerner International Ltd.
5. Sand Blasting and painting of offshore jetty of Reliance Petroleum ltd. on behalf of **M/s. Saipem Uk Ltd.** at Jamnagar.

6. Fabrication of **Warship Units** for **Mazgoan Dock Ltd (MDL)** on behalf of **Richardson & Cruddas (1972) Ltd.**
7. Structural fabrication, erection & Paining at power station in **N.P.C.I L Tarapur**, on behalf of **AFCONS INFRASTRUCTURE LTD.** Which includes built up & rolled structural fabrication as per drawing, erection and application of paint.
8. Laying, aligning jointing & welding of MS pipe (D40S) of dia 2200mm of turbine cooling high pressure pipeline at kudankulam, on behalf of **M/s Hindustan Construction Co. Ltd, NPCIL.**

The company has successfully completed the following project recently.

1. **Modification** of 4 Nos. Dumb Barge to Hopper barge and steel fabrication work at Belapur for M/s. Sahara Dredging Ltd.
2. Steel renewal work at Drill pig 'Sagar Shakti' at **Cochin Shipyard.**
3. Conversion of **dumb barge** to **Self propelled barge HUMRAJ 1** for Khakhara Marine Services at Darukhana yard.
4. New Construction of Three Leg **Spud Pontoon SAHARA IMPERIAL** under **IRS Class** for Sahara Shipping Ltd, at Belapur Yard.
5. Designing, **Converting** of Sand barge to Bunker Barges for Ocean Bunkers Ltd. Vessel **Vasper & Vasper 1** at darukhana.
6. Converting of Cargo Vessel **M.V VARALAXMI** 2000 TN to bunker barge of 1350 KL under IRS Class for Ocean Bunkers Ltd at Darukhana yard.
7. Designing, **Converting** of Sand barge to Bunker Barges for Modest & Parsons (Int) Ltd. Vessel **M.T ZAIN** at darukhana.
8. Re class entry of de classed vessel from **IRS class** as turnkey project includes all scopes as per special survey of the vessel navigational, electrical, L.S.A, F.F.A, F.C.P, engine overhauling with spares, propulsion system spares renewal with all types of valve testing, A.P.T testing, Machineries overhauling, hull repairs making reports to IRS with dry docking, sea trials & handing over to the client vessel **M.V NEEL AKASH & M.V NEEL KAMAL** (AHTS – OSV) for **Euro Marine Services Shipping Pvt. Ltd.**

### **FUTURE EXPANSION**

The company has its own office / workshop in Mumbai at Darukhana having sea frontal to carry out underwater repairs of the vessels upto a draft of 2.8mtr maximum. For future expansion company is seeking & developing marine facilities at DIGHI PORT, RAIGAD.
